FIDUCIARY vs BROKERS

FINANCIAL ADVISOR SUITABILITY STANDARD VS. FIDUCIARY STANDARD

The Suitability Vs. Fiduciary Standard has been prevalent in the investment news and publications for many months. For over 30 years, as “Trusted Advisors”, The Andriole Group has consistently demonstrated “Three Important Qualities”; a sincere interest in our clients’ personal and financial welfare, competence, and integrity.

As Investment Advisory Representatives, the members of The Andriole Group of HighTower are held to a fiduciary standard of care.

We have provided a link to a very entertaining video which discusses the Fiduciary Standard Vs. Suitability. A link to a White Paper discussing the Fiduciary Standard and a link to the Department of Labor’s Fiduciary Standard details are also provided below.
